Kay said she welcomes suggestions but there is nothing new to report.

### Ways & Means:

We made \$30.00 on the birthday raffle today.

### Programs:

April - Linda Duff

May - Yolanda Barreto - will send the info to Kay for the newsletter

June - Ronnie Bringle - will do a color mixing lesson

July - Lois Owens

August - Denise Elder

Sept. - Eileen Peters

October - possibly Pat Otto

November - open

December - Christmas Party

### Old Business:

Ronnie reported that she had approached Pat Otto about possibly coming to teach in October. Pat said she would be open to that. Her fee would probably be \$300 plus travel. Ronnie said that we have done enough watercolor and napkins for now so Pat will take that under advisement.

For next year, if we want to have a 2 day seminar, Diane Becker may be a good option. Diane is working up some floral still life's and will consider the possibility of teaching for us.

The next challenge is water life and is due in June. You may use any medium, any surface, any design.

### New Business:

Ellen alerted us about an exhibit at the Dali Museum. Anyone interested can see more about it on the Dali website.

Ronnie mentioned that several club members have artwork on exhibit at the City Hall in Brooksville. The exhibit opening will be on 4/7 at 6pm and will run for 3 months.

Meeting was adjourned at 9:45.

Respectfully submitted, Kay Wells for Lois Owens
