COLOR MIXING FOR YOUR PROJECTS by Ronnie Bringle

YOU WILL NEED:

PAINT-

Cadmium Red Medium OR Naphthol Red Medium Prussian Blue OR
Thalo Blue - green shade Cadmium Yellow Light
Titanium White

You may use whatever paint medium you prefer. Oil, Water Oil, Watercolor, Acrylic (any brand but not the premixed bottled acrylic) You could use Jo Sonja, Golden, Liquitex, etc. Traditions might work, but I'm not so sure.

I will be providing a canvas worksheet for your color swatches but.....

If you will be using watercolor for this exercise, you will need to bring good watercolor paper approximately 11" X 14"

Palette for mixing paint - disposable paper palettes are great for this. Palette knife

1" Flat Brush

Pen or pencil Ruler

All the regular supplies you usually use for your choice of medium. (water or turp bucket, paper towels, etc.)

PLEASE LET ME KNOW IF YOU WILL NEED PAINT FOR THE CLASS.
