**January 2017 Nature Coast Decorative Artists Volume 20 Issue 1**

### **A Letter from the President:**

First I want to take a minute to wish you all a Merry Christmas and a very healthy, Happy New Year! I know I did that at the luncheon, but I will do it again, the ones who couldn't make it, you were missed!

Hope you all enjoyed our Christmas Party as much as I did. Lots of laughs and good food, cookies and prizes, games, could life get any better? Probably but we will just go with this right now.

I want to take a minute to thank each and everyone for all the help that was given this last year to make our club run so nice and smooth. For ones who are no longer on the board or chair committees, a big thank you to you for all the hard work this last year. Thanks to the new people who are coming on board. It really does take a village to make a chapter run.

I am looking forward to the new year. I know it's going to be a great one. So everyone lets all have a great holiday, and get ready for the new year.

God's blessing to each and everyone!

Hugs  
Linda

Thank you to Marge Thompson for a great class. Everyone's project turned out magnificently.

In January we will have Kathy Burnett teaching a hydrangea. The surface will be anything of your choice. She painted a very pretty trio of paper mache boxes. More information will follow on next page and also on our website.

Also, if you would like to teach next year, please contact me ASAP; I'd like to have a variety of projects, but will not ask you at this time to say exactly what project you will teach. I'd just like the names (and months if you are a snowbird or have other commitments). Thank you in advance, teachers.

As they become available please check out the upcoming projects on our Workshop Calendar page on our website. Pictures and needed workshop information are placed on the web [www.naturecoastdecorativeartist.com](http://www.naturecoastdecorativeartist.com) as soon as they are available from the instructor.

I wish you the most wonderful Christmas and New Year. Relax and get ready for 2017!
